PUBLIC COMMENTARY DIRECTIONS/GUIDELINES:

The Pellston Public Schools Board of Education has adopted the following regulations for public participation at School Board meetings. The agenda for both regular and special meetings includes a designated time for public comment.

BOARD POLICY:

- a. The public participation portion of the meeting will be **limited to one-half hour**. An exception can be made so that no one's right to address the board will be denied.
- b. Each person will be allowed to speak for **up to five minutes**, except where the number of speakers exceeds the time limit. In those instances, the board president **may either reduce the five-minute limit to a three-minute limit** for each speaker or the board may waive the one-half hour time limit and establish a longer time period.
- c. Each person wishing to address the board may identify themselves by name and address. If the person is representing an organization or group, the person should indicate whether the comments or presentation represents the official view of the organization or group.
- d. If a delegation is present to address the board, the delegation may select up to five representatives to speak on its behalf, for a total of not more than 15 minutes.
- e. All written statements should be given to the board secretary so that copies may be made available to all board members. All written statements and documents presented to the board by an individual or group during the meeting are considered public documents.
- f. Individuals addressing the board should take into consideration the rules of common courtesy. The public participation portion of the meeting cannot be used to make personal attacks against a board member or district employee which are totally unrelated to the manner in which the board member or employee performs his or her duties. If the comments constitute a complaint against a board member or employee, the board member or employee has a right to request a closed hearing.
- g. Board members may question speakers, but are not obligated to answer questions or make statements or commitments in response to issues raised by the public. In general, such issues will be referred to the Superintendent for investigation, study and recommendation or designated as future agenda items for board consideration
